COLTS OF THE MONTH

In an effort to recognize some of the amazing students that we have at A.E. Cross, we have implemented a Colt of the Month Award that will be presented monthly for the remainder of the school year. These students have been nominated by the staff of the school and will recognize students that have contributed in a positive manner to the school community throughout the month. These students could have been a member of a team, club or band or they could have shown some leadership throughout their classroom over the past month. We will be awarding these students with a certificate and a small gift.

DIGITAL CITIZENSHIP

As part of the learning, students watched videos produced by Common Sense Education. Below is their website that contains some important tips for families

LUNCHTIME EXPECTATIONS

Lunchtime at A.E. Cross School runs from 12:07 PM to 12:48 PM each Monday to Thursday. The structure of the lunch hour works as follows:

12:07 PM – 12:25 PM – Students are welcome to eat lunch within the school on the main floor. The hallways, cafeteria and courtyard are available for student use during this time. Please note that there is currently no food service available to students at lunchtime. On days where the weather cooperates, students are also welcome to eat outside on school property.

12:25 PM – 12:48 PM – Students will be asked to go outside during this time period. It will be important that students get appropriate clothing from their lockers right at the end of the morning classes as the upper level of the school will be closed beginning at 12:10 PM. **With the weather becoming increasingly colder, we are seeing students attempt to stay indoors during this time. It is really important that students come prepared for the weather as they will be outside during this time unless they are part of a supervised activity within the school.**

WITH PARENTAL PERMISSION, students are able to leave campus for lunch time. To minimize the number of students visiting our community neighbours, different grade groups can leave campus on specified days.

- Tuesdays – Grade 7 students
- Wednesdays – Grade 8 students
- Thursdays – Grade 9 students

Should students leave campus, it is an expectation that they are respectful to our community neighbours as they are representatives of A.E. Cross School. We have had reports from community members that some of our students are littering.

- Students should not loiter at the businesses and they should buy their lunch and return to school property
- **Should students be abusing their off-campus privileges by causing disruptions in the community or are consistently late upon return to school after lunch, privileges to leave at lunch may be taken away**
- Back alleys and private yards are off-limits to students
- **PLEASE NOTE – A.E. CROSS SCHOOL DOES NOT PROVIDE SUPERVISION TO STUDENTS THAT ARE OFF CAMPUS AT LUNCHTIME.**
- Students will not leave campus on Fridays during nutrition break (11:33 AM – 11:48 AM) so please ensure that they come to school with a snack.
- **A quick reminder to families that students are not able to bring drinks back into that do not have sturdy lids on them. This includes drinks such as: slurpees, coffees with plastic lids, and bubble teas.**

Thank you to all of the families that have contributed to our Project Kindness Campaign! We really appreciate your support of A.E. Cross families during the holiday season. If you have any last minute donations, please drop them off to the main office on Monday, December 18.

CHILD AND YOUTH WELL-BEING WEBINAR SERIES

Dear Parents / Guardians,

The Calgary Board of Education invites all parents and guardians to join us in an online series focusing on child and youth well-being. These sessions will be hosted in partnership with experts from Alberta Health Services and will explore topics such as vaping, brain development, mental health, and sexual health.

**Child and Youth Well-Being:
A Webinar Series for Parents and Guardians**

CBE educators believe that parents and guardians can inspire their kids to make healthy lifestyle choices and increase protective factors – in order to do so, they need the right tools and information.

Well-being is a precondition for learning. As our understanding of student well-being

continues to evolve, it is important for those that support children and youth to stay up to date on the same information so everyone can support student success.

The intention of the series is to advance student well-being by raising family and caregiver's understanding of a variety of health-related topics.

Thank you for your time and consideration to join us.
