

Project Kindness / Proyecto de Bondad

This is the fourth year of Project Kindness/Proyecto de Bondad at A.E. Cross, and we've accomplished amazing things in past years. We are excited to continue this tradition!

Colts at A.E. Cross learn about kindness and helping others throughout the school year and especially during the holiday season. With the support of the Parents' Association and School Council, our school community will once again be collecting donations to assist those in need during this time of giving.

We are focusing on supporting A.E. Cross families and spreading love throughout our community, especially to those facing the greatest challenges. We invite you to participate with your child(ren) by discussing the meaning of helping others and donating over the next few weeks.

From Thursday, December 5th to Tuesday, December 17th we will be collecting gift cards to places like Superstore, Walmart, Canadian Tire, local gas stations, grocery stores, etc.

If you would like to participate, kindly place any donated gift cards in a sealed envelope, marked Project Kindness and have your child give it to the office or their teacher.

If you would prefer to donate financially to Project Kindness, we welcome e-transfers to aecrosscouncil@gmail.com. If you are donating over \$25 and would like to receive a tax receipt, please also send an email to the address provided above with your details.

If you would like to donate gift cards through the A.E. Cross FlipGive Account please use the following link and enter aecrosscouncil@gmail.com as the recipient.
